and plant life

**BIOLOGICAL  
POND CLARIFIER**

**Quickly cleans, clarifies  
and deodorizes pond  
water - naturally!**

Net Wt 6 oz (170.1 g)

**Roots Pond Saver**

is a concentrated microbial product containing a proprietary blend of safe, naturally-occurring bacteria that quickly clean and deodorize cloudy, nutrient rich waters.

**Pond Saver** is nontoxic to plants and animals, including fish, and is completely safe for the aquatic environment.

**Directions for Use:**

Apply 2 teaspoons of Pond Saver per 1000 gallons of water. Repeat application every 2 weeks. For dirtier ponds, apply weekly until water clears. If the pond is severely overpopulated with algae, correct this problem first before using Pond Saver. Not intended for the treatment of drinking water.

**Safety and Handling:**

- Avoid breathing dust.
- In case of contact with skin or eyes flush with water.
- If ingested, contact a physician.
- Wash hands after handling.
- Keep out of reach of children.
